Re: ABGII/Rejuvenate Modular Litigation

Dear Counsel:

On behalf of defendant Howmedica Osteonics Corp. ("HOC"), enclosed is a letter to the courts announcing that 95% of registered eligible patients have enrolled in the ABG II and Rejuvenate Modular Settlement Program. As a result, HOC will move forward with the Settlement Program.

I wanted to reach out to you directly and thank you for all that you and your respective teams in the MDL and MCL did in order to ensure that enrollment in the Settlement Program was an overall success. I hope that we will all continue to work together to ensure the successful administration of the Settlement Program as it continues to move forward.

Thank you again for all of your hard work on behalf of your clients and so many others.

Very Truly Yours,

Kim M. Catullo

Encl.
